ACADEMIC SESSION

2026-27

Message from Chairman

I am indeed glad to note that the **KPC VETERINARY FOUNDATION** has established a KPC INSTITUTE OF PARA VETERINARY & ANIMAL SCIENCE, with a mission to develop quality para veterinarians and to provide top-notch animal health care services to the rural areas. The institute has been established to provide an inspirational environment to all its students and to keep our commitment to bring quality education within easy reach of the people of India. India has vast livestock resources that play a pivotal role in the Indian economy. The livestock sector contributes 4.11% of GDP and 25.6% of total agriculture GDP. It contributes 16% to the income of small farm households, as against an average of 14% for all rural households. Moreover, it provides employment to about 8.8% of the population of India. Para-Veterinarians have a major role in doubling farmers' income. It is now unanimously accepted at all levels that the farmer's income can be doubled only by integrating animal husbandry activities with agriculture. The para-veterinarian is committed professionally and morally to the rural community.

As part of the institution's vision and mission, we believe in Imagine-Discover-Motivate in creating dynamic members of society. The adage "Teamwork makes the dream work" applies here. At **KPC INSTITUTE OF PARA VETERINARY & ANIMAL SCIENCE**, we have a dedicated team and the team is continuously working hard taking in view the vision and mission of the institution. I take this opportunity to express that every effort is made to improve the existing best services to bring out the best for the welfare of our institution and the growth of our students and the nation as well.

I hope, the ambition of **KPC INSTITUTE OF PARA VETERINARY & ANIMAL SCIENCES** to produce highly qualified Para-veterinarians across the country will be rewarded by God's grace. I extend a very warm invitation to join our most distinguished Veterinary Fraternity here.

5.3 Organizational Structure & Chart for day-to-day Operations & Management:

KPC INSTITUTE OF PARA-VETERINARY & ANIMAL SCIENCE

KPC VETERINARY FOUNDATION takes pride in having started the need-based diploma courses in Veterinary Pharmacy and Livestock Extension in the state. These diploma programmes are started after affiliation with DUVASU, Mathura as per GO. No. 07/2024/1/798726/37-3099/8/2023. Realizing the importance of livestock resources, veterinary education has been strengthened over the years, however, in view of the limited availability of qualified veterinary graduates, it is not possible for government to make their services available in each and every village. Further veterinary doctors too require well-trained supportive staff to cater the technical services more efficiently. Veterinary Pharmacists and Livestock Extension workers are essential for efficient veterinary services which include healthcare and management of livestock including artificial insemination services at village level. They also assist in public health services and control of zoonoses, endemics and epidemics under the guidance of expert veterinary professionals. Therefore, in view of the requirements of trained human resource in the state of U.P., KPC VETERINARY FOUNDATION decided to establish the **KPC Institute of Para-Veterinary & Animal Sciences**.
